INTRODUCTION

At Malco Automotive, we know you’re looking for partners that offer stability, reach and product breadth.

Founded in 1953, Malco is a third-generation, family-owned company that manufactures and markets a broad line of over 150 automotive products that includes industry-leading waxes, polishes, compounds, cleaners, and ceramic coatings. These products offer the professional end-user a wide range of solutions to meet individual work styles, job requirements and value on a global scale.

At our core, Malco strives to find creative solutions to meet the unique demands of each customer. From our highly trained R&D chemists in our on-site lab, to our proprietary production facilities, to a customer-focused sales and global distribution network, we put an emphasis on continuous improvement, quality, service, and product training. These guiding principles allow us to be our customers’ best partner.

See why Malco Automotive is “The Choice of the Pros®.”

RED THUNDER® BIODEGRADABLE DEGREASER

Malco's most versatile heavy duty cleaner removes heavy soils from most hard and soft surfaces. This non-caustic, aluminum safe cleaner can be used on vinyl, plastic, carpet & upholstery as well as engines, concrete floors, tires and wheels. Will also strip waxes from automotive exteriors. Can be diluted up to 1:10.

Size	1 gal.	Part #	102301
Size	5 gal.	Part #	102305
Size	55 gal.	Part #	102355

POTENT PURPLE™ CLEANER

Caustic cleaner designed to remove heavy grease and oily dirt from engines, concrete floors and concrete walls. Dilute 1:1 to meet these heavy cleaning requirements. Can be diluted up to 1:15.

Size	5 gal.	Part #	120305
Size	55 gal.	Part #	120355

H/A™ ALL-PURPOSE CLEANER CONCENTRATE

General purpose cleaner removes light-to-medium soils and oils from concrete floors and walls, vinyl and plastic. Will also strip waxes from automotive exteriors. Can be diluted up to 1:50.

Size	1 gal.	Part #	101501
Size	5 gal.	Part #	101505
Size	55 gal.	Part #	101555

KA-88™ CONCENTRATED CLEANER & DEGREASER

Malco's most powerful, high-alkaline cleaner is formulated to remove the heaviest grease, oil and dirt from engines, concrete floors, tires and wheels. Dilute 1:2 for these tough jobs. Can be diluted up to 1:20.

Size	5 gal.	Part #	108505
Size	30 gal.	Part #	108530

HEADLIGHT LENS RESTORATION

HEADLIGHT RESTORATION KIT

Malco's professional headlight restoration process will restore faded and yellowed headlights to factory appearance quickly and easily and keep them looking new thanks to a UV curable sealant. This advanced technology will not only restore lens clarity and improve lumen output, but can add big profit dollars to a detail service, used car dealership or body shop.

HEADLIGHT LENS RESTORATION WIPE-ON KIT

Malco's wipe-on headlight lens restoration kit will restore 20 faded and yellowed headlights to a like new appearance. Sealant is UV curable and provides maximum protection for long-lasting clarity.

Components to restore 20 headlights:

- Malco® UV Curable Wipe-On Sealant 0.5 fl. oz. bottles, 10
- Malco Lens Drier 8 oz., 1
- 600 Grit Sand Paper, 20
- 2000 Grit Sand Paper, 10
- Plastic dipping tray, 10
- Coralite® Sponge 2 pack, 5
- 1500 Grit Sand Paper, 10
- 1 1/2" roll of masking tape, 1
- Vinyl Gloves, 10

Multi Kit Part # 193957

Single Use Wipe-on headlight Lens Restoration Kit

- 600 grit sandpaper, 2
- 2000 grit sandpaper, 1
- Headlight Lens Sealant, 1
- Tray, 1
- 1500 grit sandpaper, 1
- Headlight Lens Drier, 1
- Coralite® Sponge, 1

Single Kit Part # 193958

UV LIGHT ASSEMBLY WITH STAND

Designed to cure Headlight Sealant in 8 to 10 minutes. Sturdy tripod base adjusts from 23" to 48". Variable mounting bracket enables the light to be adjusted to the angle of the headlight. Includes a U shaped, LED bulb with 10,000 hour bulb life.

UV Lamp Assembly with Stand	Part #	890203
UV Replacement Bulb	Part #	890204

HEADLIGHT LENS DRIER

Create a dry and dust-free lens to complete the lens preparation process and ensure proper sealant adhesion. Simply spray and wipe thoroughly with a clean, lint-free towel.

Size 8 fl. oz. Part # 193108

UV CURABLE WIPE-ON SEALANT

This easy-to-apply formula helps protect restored headlights against future discoloration. Cures quickly in sunlight or by UV light. 10 bottles per pack; each bottle can do two headlights.

Size 10 Bottles 0.5 fl. oz. Part # 193903

PRODUCT USAGE

- Great for fleets, farm equipment and marine use
- Developed for heavy soils and road grime
- Can be used with hot and cold water systems

HEAVY DUTY TRUCK WASH

Powerful powder cleaner removes heavy soils and rinses clean. Use in both hot and cold pressure washers. Safe for use on aluminum. Use 1.25 lbs. per 50 gal. of water.

Size **100 lb.** Part # **106390**

PRESSURE WASH COMPOUND

Powdered formula powers through grease, dirt and grime. For use in high-pressure systems. Use 1.25 lbs. per 50 gal. of water.

Size **100 lb.** Part # **103490**

CITRUS SCENT SPRAY WAX

Self-service car wash wax produces a water-beading, durable shine on all types of auto finishes. Clean lemon scent. Dilute 1:15 to 1:60.

Size **5 gal.** Part # **104605**

DIRT BLASTER TRUCK WASH

Use this concentrated heavy duty cleaner by hand or with a pressure washer to remove soot, grime and oily soils. Dilute up to 1:10.

Size **5 gal.** Part # **125605**

TC-303™ ACID ALUMINUM TRUCK BRIGHTENER

Removes oxidation, soot, road film, water scale and mineral deposits from aluminum and stainless steel tractor-trailers, tankers and tank cars. Dilute up to 1:20.

Size **5 gal.** Part # **113005**

SYSTEM I™ PROPORTIONER SYSTEM

SYSTEM I™ ENGINE DEGREASER

Cuts through grease, dirt and oil to leave surfaces clean and residue-free. Use on engines, wheels and whitewalls. One five-gallon carboy makes between 40 and 55 gallons of degreaser.

Size **5 gal.** Part # **115405**

SYSTEM I™ CAR SOAP CONCENTRATE

High suds car wash lifts and removes soils while lubricating brushes and wash mitts to prevent vehicle scratching. Rinses clean and leaves surfaces film-free. One five-gallon carboy makes approximately 900 gallons of car wash.

Size **5 gal.** Part # **115705**

SYSTEM I™ GLASS CLEANER CONCENTRATE

Cuts through dirt, grease and smoke film and leaves glass, chrome and stainless steel clean and streak-free. One five-gallon carboy makes 85 gallons of ready-to-use glass cleaner. Contains ammonia.

Size **5 gal.** Part # **115505**

SYSTEM I™ DRESSING

Water-based silicone emulsion creates high gloss on interior or exterior surfaces without risk of tire sling or spotting. One five-gallon carboy makes 15 gallons of ready-to-use dressing.

Size **5 gal.** Part # **121305**

SYSTEM I™ CABINET

Sturdy steel construction holds six five-gallon carboys. Locks for added security.

Cabinet Part # **800052**

The System I™ Cleaning Center keeps costs contained by providing highly effective, hyper-concentrated products in a usage-controlled manner. This system reduces cost per vehicle and prevents waste by properly delivering a complete line of car care chemicals.

SYSTEM I™ SELECT SIX PLUS™ PROPORTIONER

Standard configuration provides settings for Car Wash Soap, Glass Cleaner, General Purpose Cleaner (with settings for Leather & Vinyl Cleaner and Carpet & Upholstery Cleaner) and Degreaser (with settings for Engine Degreaser and Whitewall Cleaner).

Select Six Unit Part # **800084**

SYSTEM I™ SINGLE PROPORTIONERS

Designed to add more System I or other products to a proportioning system. Can also be used to proportion a single product.

High flow unit (3 gal/min)	Part #	800086
Low flow unit (1 gal/min)	Part #	800085
Dressing proportioner	Part #	800104

EPIC™ PAINT CORRECTION SYSTEM

Less Steps. Less Effort. Brilliant Finish.

Table with 3 columns: EPIC™ Paint Correction vs. Traditional Methods, EPIC, Traditional. Rows: Number of steps, Amount of time, Amount of material.

The EPIC™ Paint Correction System combines the ease of use of a dual-action orbital polisher with compounds that can finish in one step.

From expert detailers to first-time users, achieve a brilliant finish every time.

Part #810009 when ordering the Malco® 6.5" FLEX Orbital Polisher

Table with 4 columns: EPIC™ #800213 KIT CONTENTS, Item, Size, Part #. Rows: 1 EPIC™ Heavy Duty Compound, 1 EPIC™ Medium Duty Compound, 1 EPIC™ Finishing Polish, 1 EPIC™ Purple Foamed Wool Heavy Duty Pad, 1 EPIC™ Grey Foam Heavy Duty Pad, 1 EPIC™ Orange Foam Medium Duty Pad, 1 EPIC™ Black Foam Polishing Pad, 1 Foam Pad Conditioning Brush, 5 Ultra-Soft Edgeless Microfiber Cloths.

NEW

Part #810003 when ordering the NEW Malco® 3" FLEX Orbital Polisher

Choose the EPIC™ Paint Correction Product that meets your 1-step needs

Diagram showing three stages: HEAVY DUTY, MEDIUM DUTY, FINISHING POLISH. Includes product images and tables of part numbers for various pad sizes and types.

Produce that special look in less time with the EPIC™ Paint Correction System.

EPIC™ Heavy Duty Compound is a correcting and polishing compound that removes severe defects and heavy oxidation, as well as P1500 sand scratches, it polishes to a deep gloss in one step. EPIC™ Medium Duty Compound is a correcting and polishing compound that should be used when typical detailing correction is needed, such as car wash scratches and oxidation, as well as P2500 and up sand scratches, it polishes to a deep gloss in one step. EPIC™ Finishing Polish can be used for light correction including daily wear and light car wash scratches, finishing to an ultra-deep gloss. It can also be used after EPIC™ Heavy Duty or EPIC™ Medium Duty Compounds for a very deep, show-car-level gloss.

Ceramic is now EPIC!

Finally, a ceramic that's easy to apply and produces excellent results!

The Malco® EPIC™ Ceramic Coating System:

EPIC™ Ceramic Coating is designed for the ultimate vehicle finish. This specially formulated coating provides years of protection and the industry's highest gloss finish. **When professionally installed, the EPIC Ceramic system will bond with the vehicle's clear coat to create a durable, hydrophobic surface lasting up to two years.** This coating will prevent dirt, water spots, and contaminants from adhering to paint, prolonging the life and ease of cleaning for any vehicle. Included in the EPIC Ceramic Starter kit is everything needed to complete one car or truck, including: one bottle of EPIC Ceramic Coating, Prep Wash Concentrate, Final Prep Wipe, Applicator Pad, Suede Applicator Cloths, and an Ultra-Soft, Edgeless Microfiber Towel.

FEATURES AND BENEFITS	
Industry's easiest-to-apply coating system	Bonds with clear coat for outstanding depth of gloss
Designed to complement the EPIC™ Paint Correction System	Optimum viscosity simplifies application for experts and novices alike
Produces the ultimate "wet" look	Excellent hydrophobic properties allow water and dirt to slide right off

Each starter kit (# 800215) features everything needed to complete a vehicle:

- EPIC™ Prep Wash Concentrate
⚠ WARNING: Cancer - www.P65Warnings.ca.gov
- EPIC™ Final Prep Wipe
- EPIC™ Ceramic Coating (30 ml)
- Applicator
- Suede Cloths
- Ultra-soft Edgeless Microfiber Towel

Each single-use kit (# 109503) includes:

- EPIC™ Ceramic Coating (30 ml)
- Applicator
- Suede Cloths

EPIC™ Ceramic Refresher (# 109816)

NEW

Unique spray formula designed to complement the EPIC™ Ceramic Coating System. EPIC Ceramic Refresher should be used every 3-6 months to boost the protective hydrophobic characteristics. Can be used as a stand-alone protectant.

EPIC™ Ceramic Prepwash Concentrate (# 109608)

⚠ WARNING: Cancer - www.P65Warnings.ca.gov

Concentrated, phosphate-free formula designed to remove dirt, road film and other common automotive soils quickly, easily, and thoroughly. It produces large quantities of hard-working suds which make it ideal for most cars, trucks, and motorcycles.

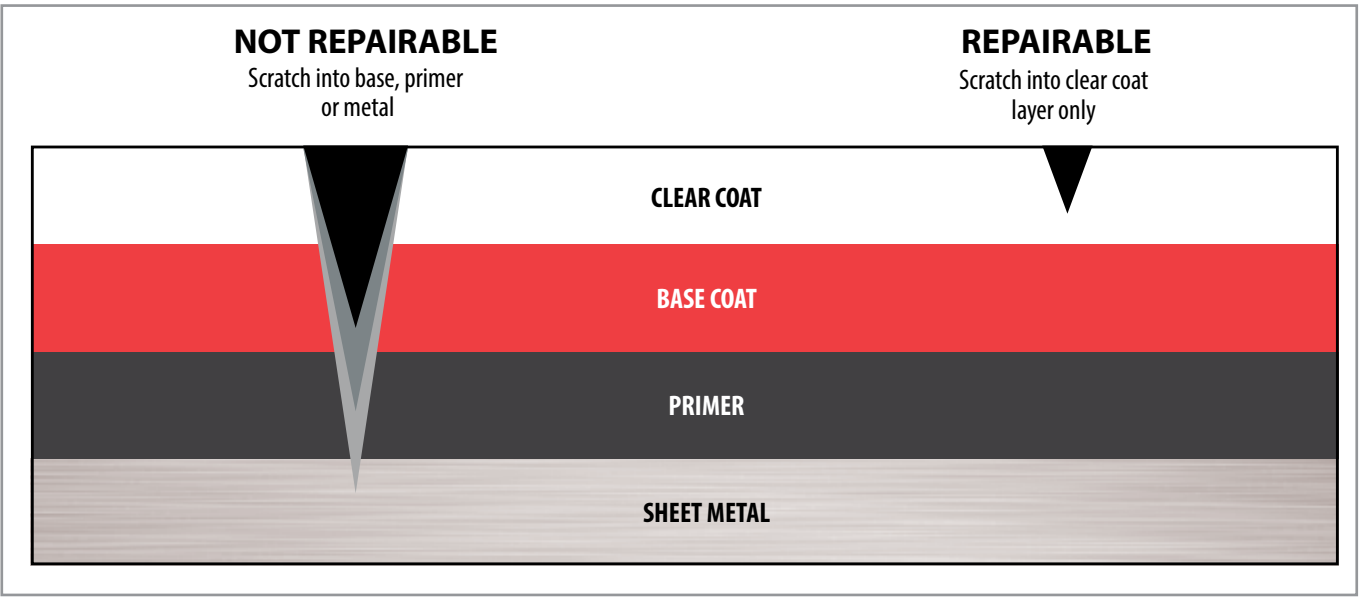

EPIC™ Ceramic Final Prep Wipe (# 109716)

Final Prep Wipe is a critical component in the EPIC™ Ceramic Coating System. This final step before application cleans and preps the surface to help ensure successful application of the long-lasting protective ceramic coating.

DON'T JUST USE ANY CERAMIC COATING... MAKE IT EPIC!

TRU-GRIT® HEAVY-DUTY COMPOUND

Super-hard diminishing abrasives and long work time provide the broadest buffing capability. Removes heavy oxidation and up to P1500 grit and finer sand scratches from fresh and aged paint without hazing or gumming. Use with 100% white wool pad (#810051).

Size	32 fl. oz.	Part #	120032
Size	1 gal.	Part #	120001

SUPER-DUTY™ HEAVY-CUT COMPOUND

Most aggressive and quickest cutting compound in the line. Removes oxidation and P1500 grit and finer sand scratches. Immediate cutting action of the abrasives won't overheat the surface, making it the ideal choice for marine gel coats and RV fiberglass surfaces. Use with 100% white wool pad (#810051).

Size	32 fl. oz.	Part #	127632
Size	1 gal.	Part #	127601

BUFF LITE II™ FINISHING CRÈME

Light cutting, all-around compound. Use with a yellow wool pad (#810147) to remove P2000 grit and finer scratches (brush marks, car wash scratches, snow brush scratches) to return used vehicles to a smooth, even surface. For finer defect removal, use with a yellow foam pad (#810142).

Size	32 fl. oz.	Part #	114132
Size	1 gal.	Part #	114101

TRU-POLISH®

Removes P3000 grit sand scratches, car wash scratches, daily wear and tear, and compounding swirls. Water-based formula contains special lubricants for long work time and easy cleanup. Contains no fillers. Use with green light cut pad (#810148) or blue soft foam polishing pad (#810144).

Size	32 fl. oz.	Part #	197332
Size	1 gal.	Part #	197301

MAG 1™

Removes scratches and light oxidation to restore aged paint. Use with yellow wool pad (#810147) to quickly remove P2000 and finer sand scratches with little dusting.

Size	1 gal.	Part #	119801
------	--------	--------	--------

WAXES & SEALANTS

NANO CARE® BANANA CRÈME WAX

Unique blend of resins and silicones delivers a deep, rich gloss while dual UV inhibitors provide superior UV protection in this easy-to-use wax for automotive and marine finishes. Great banana scent.

Size	32 fl. oz.	Part #	197732
Size	1 gal.	Part #	197701

ENHANCER® PREMIUM CREAM WAX

Easy-to-use product applies and dries quickly, leaving a fast-wiping haze with low dust. Its unique blend of the finest Carnauba wax and other premium ingredients delivers a long-lasting shine that resists repeated washings.

Size	32 fl. oz.	Part #	120232
Size	1 gal.	Part #	120201

PAINT SEALANT

Unique blend of cross-linked polymers bonds with and seals the painted surface, creating an extremely durable and long-lasting protective finish.

Size	1 gal.	Part #	192701
------	--------	--------	--------

ONE-STEP DETAIL SPRAY

Delivers a "showroom quality" shine and durable protection in just one fast and easy step. Removes harmful contaminants, water spots, fingerprints and surface dirt. Use to remove dust and grime and repel water while adding durable protection to the finish.

WARNING: Cancer - www.P65Warnings.ca.gov

Size	16 oz.	Part #	198316
------	--------	--------	--------

TRU-GLAZE® BREATHABLE PAINT PROTECTION

A breathable yet durable protective coating for freshly cured paint. Low-dusting formula goes on easily and comes off quickly, producing a deep gloss.

Size	16 fl. oz.	Part #	193516
Size	32 fl. oz.	Part #	193532

CHERRY FLASH® AEROSOL WAX

Premium natural Carnauba wax delivers a deep, lasting gloss in a non-dusting version of our most popular wax.

Size	14 oz.	Part #	124820
------	--------	--------	--------

IMPERIAL PASTE WAX

Premium #1 Carnauba wax delivers our most durable shine. Special anti-swirl agents make it the ideal choice for dark finishes. Provides up to 12 months of protection.

Size	14 oz.	Part #	114014
------	--------	--------	--------

VOC COMPLIANT IMPERIAL PASTE WAX

Long lasting VOC-compliant paste wax. Special anti-swirl agents make it the ideal choice for dark finishes. Provides up to 12 months of protection. Fresh watermelon scent.

Size	14 oz.	Part #	125214
------	--------	--------	--------

NANO CARE® BLUEBERRY PASTE WAX

Pure Carnauba and Nano waxes provide outstanding depth of gloss and longevity on all automotive and marine finishes. Provides up to 12 months of protection. Great blueberry scent.

Size	14 oz.	Part #	126614
------	--------	--------	--------

NANO CARE® SPRAY WAX

Advanced nano technology provides exceptional shine and lasting protection on all automotive surfaces including vinyl, leather, glass, plastic and painted surfaces. Will not turn plastic white.

Size	22 fl. oz.	Part #	128022
Size	1 gal.	Part #	128001

NANO CARE® AQUA WAX

Produces high-gloss shine on wet or dry painted exterior vehicle surfaces. No drying is necessary. Just spray on and wipe off. Ideal product for both new and used car dealers.

Size	1 gal.	Part #	128101
------	--------	--------	--------

MIST-IT™ SPRAY'N SHINE

Creates wet-looking gloss on painted automotive finishes. Ideal for pre-delivery cleanups as well as a lubricant for overspray clays. Contains no wax.

Size	1 gal.	Part #	121801
Size	5 gal.	Part #	121805

MALCO KOZAK® AUTODRYWASH™ CLOTH

GREAT FOR CAR SHOWS!

Has anti-static fibers that lift loose dirt and dust away from painted surfaces. Made from fine, specially woven, 100% cotton, it polishes as it cleans leaving the finish looking smooth, clean and bright. Works best on protected finishes.

Size	3.8 sq. ft. cloth	Part #	801054
------	-------------------	--------	--------

SHOWROOM SHINE™

Remove dust, smudges and fingerprints while leaving a bright, glossy shine on automotive glass, metal and exterior painted finishes. Designed specifically for the "spot delivery" needs of car dealerships. Use as a lubricant for overspray clays. Cherry scent.

Size	22 fl. oz.	Part #	110422
Size	1 gal.	Part #	110401
Size	5 gal.	Part #	110405
Size	55 gal.	Part #	110455

SURFACE SHINE™ INSTANT DETAILER

Slick, hydrophobic, easy-to-use surface enhancer designed to remove dust, fingerprints and smudges and leave an attractive shine on any non-porous, painted surface. Use as a lubricant for overspray clays and alternatives.

Size	22 fl. oz.	Part #	192922
Size	1 gal.	Part #	192901
Size	5 gal.	Part #	192905
Size	55 gal.	Part #	192955

STAIN REMOVAL CHART

Before you get started, remove all loose soils by vacuuming the area to be treated and check colorfastness. It is important to use a white terry cloth towel to avoid dye from colored towels adding to the problem.

PROBLEMS	STAIN TYPE	RECOMMENDED PRODUCTS	WHAT TO DO
Beer, Eggs, Grass, Blood, Urine / Feces	Organic Matter, Protein-Based Stains	Enzyme Cleaner #1029	Spray directly onto the spot allowing it to work as needed on carpet or upholstery. For extra tough spots, dampen a white Terry Cloth Towel (#810044) with Enzyme Cleaner and lay it over the spot to keep it damp. Wipe away with a clean, dry towel.
Coffee, Wine, Juice, Kool-Aid®	All Dye & Tannin Stains	Oxy™ Carpet & Upholstery Cleaner #1278	Spray the spot with Oxy Carpet and Upholstery Cleaner allowing a dwell time of 2-3 minutes for the product to work. Wipe the area with a clean, dry white terry cloth towel (#810044) to remove the stain. You can use an upholstery brush if the stain is deeply embedded.
Lip Stick, Hand Lotion, Peanut Butter, Light Grease / Oil, Ink	Water & Oil-Based Stains, Some Dye & Tannin Stains	Instant Out #1264	For small to large stains, spray the stain from side to side. Wipe the area with a clean, white Terry Cloth Towel (#810044). Repeat as necessary.
Road Tar, Heavy Grease / Oil	Oil-Based Stains	Annihilator™ #1151	Spray a white Terry Cloth Towel (#810044) with Annihilator™ and wipe the stain. It may be necessary to spray the stain directly.
Dirt, Mud (Dried), Clay	Surface Contaminants	Carpet & Upholstery Cleaner Concentrate #1018	First, loosen or remove as much material as possible with a carpet brush or Terry Cloth Towel (#810044) and vacuum. Use Carpet & Upholstery Cleaner Concentrate (1:10) and a carpet brush to loosen and remove remaining material. Wipe the area with a clean, dry white terry cloth towel. Repeat as necessary.

LEATHER & PLASTIC CLEANER

The classic choice for restoring like-new appearance to leather, plastic and vinyl surfaces. Its penetrating formula cleans all the way down to the pores and leaves surfaces clean and film-free.

Size	22 fl. oz.	Part #	100116
Size	1 gal.	Part #	100101
Size	5 gal.	Part #	100105
Size	55 gal.	Part #	100155

CLEAN & SHINE FOR LEATHER, PLASTIC & VINYL

Time-saving, one-step, ready-to-use formula cleans leather, plastic and vinyl while restoring a rich, satiny gloss to the surface. Great choice for interior surfaces, especially dashboards.

Size	22 fl. oz.	Part #	125922
Size	1 gal.	Part #	125901
Size	5 gal.	Part #	125905
Size	55 gal.	Part #	125955

LEATHER PROTECTANT

Forms a protective barrier that helps resist initial staining. It restores a satin gloss to the surface and contains a UV inhibitor. Helps prevent oil and water-based stains (including ballpoint pen ink, ketchup, wine, etc.). Allows for easy cleaning of markings that are able to form on surface.

Size	32 fl. oz.	Part #	100632
Size	1 gal.	Part #	100601

CARPET & UPHOLSTERY CLEANER CONCENTRATE

Lifts and dissolves soils and stains for complete cleaning of synthetic and natural fiber carpet and upholstery. Can be diluted up to 1:20. Great in Tornador® at 1:20.

WARNING: Cancer - www.P65Warnings.ca.gov

Size	1 gal.	Part #	101801
Size	5 gal.	Part #	101805

ENZYME CLEANER

Natural bio-enzymatic cleaner with biodegradable surfactants provides highly effective cleaning and long-lasting odor control. The best choice for cleaning organic matter such as blood, vomit, urine and feces on carpets or upholstery.

Size	1 gal.	Part #	102901
------	--------	--------	--------

OXY™ CARPET & UPHOLSTERY CLEANER

Peroxide-based, oxygenated, all-purpose fabric cleaner. This powerful, ready-to-use spray-on formula quickly removes stains from coffee, wine, juice, food dyes, ink and even Kool-Aid®.

Size	1 gal.	Part #	127801
------	--------	--------	--------

CARPET PLUS FOAMING ALL FABRIC CLEANER

Designed for horizontal applications such as seat backs and headliners. Lifts dirt without harming fabrics or upholstery. Leaves no oily films that can speed re-soiling.

Size	18 oz.	Part #	110220
------	--------	--------	--------

LEATHER CONDITIONER

Cleans and conditions fine leather. This premium formula revives and softens aged and dried leather without leaving it greasy or slick. Great leather scent.

Size	32 fl. oz.	Part #	109932
------	------------	--------	--------

INSTANT OUT SPOT & STAIN REMOVER

Highly effective on both oil- and water-based stains. This fast-acting spotter removes tough spots and stains from carpet and upholstery without rubbing or scrubbing. Use it to remove ink, grease, oil, cola, coffee, pet stains, shoe polish and lipstick.

Size	18 oz.	Part #	126419
------	--------	--------	--------

XTRAX™ CARPET & UPHOLSTERY CLEANER

Deep cleans all fabric and upholstery, including headliners. Special foaming formula lifts soils without leaving an oily film behind. Fresh Xtrax™ fragrance, see page 35 for the full line of Xtrax™ products.

Size	18 oz.	Part #	124720
------	--------	--------	--------

CARPET & UPHOLSTERY CLEANER

Inverted nozzle for vertical applications such as carpeting and seat bottoms. Rich foam formula dissolves soils and stains easily and dries quickly.

Size	22 oz. Trigger	Part #	101716

FABRIC PROTECTOR

Polymer-based coating bonds to individual fibers and blocks stains from both oil and water-based spills. When dry, this protective coating is odorless and colorless and does not affect carpet or fabric texture.

Size	1 gal.	Part #	195701
Size	5 gal.	Part #	195705

MODEL 1200 XTRAX™ XTRACTOR / MODEL 600 XTRAX™ XTRACTOR

Huge 9 gal. solution tank with 1500 watt heater and 11.5 gal. recovery tank. Dual, two-stage vacuums create 150" of water lift and 100 psi of 190°F cleaning solution. Swiveling lid allows easier accessibility within vehicle.

Model 1200 Part # 800062

Large 4.5 gal. solution tank with 1500 watt heater. Single, three-stage vacuum provides 137" of water lift and 60 psi of 190°F cleaning solution. Lift-off 5-gallon recovery tank for easy emptying.

Model 600 Part # 800184

XTRAX™ XTRACTOR MACHINES

All Xtrax™ Xtractors feature:

- Durable construction
- In-tank heating provides continuous hot water
- Stainless steel solution tanks for outstanding heat retention, corrosion-resistance and durability
- Comprehensive warranty
- 15 amp, one plug operation
- Long solution and vacuum hoses (15' each) to reach all corners of every vehicle
- Stainless steel hand tool
- 25' heavy duty extension cord

XTRAX™ CARPET & UPHOLSTERY CLEANER

Deep cleans all fabric and upholstery, including headliners. Special foaming formula lifts soils without leaving an oily film behind. Fresh Xtrax™ fragrance.

Size 18 oz. Part # 124720

XTRAX™ COATING SPRAY

This easy-to-use, fast-drying spray produces a fine mist so no wiping is necessary. Xtrax™ Coating Spray prevents battery terminal corrosion and waterproofs ignition system hinges, springs and casters.

WARNING: Cancer & Reproductive Harm- www.P65Warnings.ca.gov

Size 12 oz. Part # 124620

XTRAX™ LIQUID FABRIC CLEANER & DEODORIZER

Designed for use in hot and cold water extraction machines. This low-foam formula leaves carpet and upholstery clean, soft and fresh-smelling. Concentrated formula can be diluted up to 1:50. Great in Tornadors® at 1:10.

Size	1 gal.	Part #	118701
Size	5 gal.	Part #	118705

XTRAX™ DRY FABRIC CLEANER & DEODORIZER

Formulated with color-safe peroxide bleach to make soil, stain and odor removal fast and easy. This carpet and upholstery cleaner is compatible with both hot and cold water extraction machines. Use 1 cup per 5 gallons of water.

Size	10 lb.	Part #	118810
Size	30 lb.	Part #	118830

XTRAX™ ODOR ELIMINATING FOGGER

Contains Ordenone™, an odor neutralizing chemical that eliminates smoke and other strong odors at their source. Can be used for total release fogging or spot spraying. Deodorizes up to 6,000 cubic feet.

Size 5 oz. Part # 124123

XTRAX™ SCENT ODOR ELIMINATOR

Neutralizes unpleasant odors rather than simply covering them up, and leaves behind the clean, fresh Xtrax fragrance.

Size 1 gal. Part # 122101

XTRAX™ INTERIOR CLEANER

Ready-to-use formula powers away soil and dirt from leather, plastic and vinyl with ease. Leaves surfaces clean, shiny and film-free.

Size 1 gal. Part # 124401

ODOR ELIMINATORS

ODOR ELIMINATOR FOGGERS

Contains Ordenone™, an odor neutralizing chemical that eliminates smoke and other strong odors at their source. Deodorizes up to 6,000 cubic feet. Can be used for total release fogging or spot spraying.

MALCO'S VINYL, PLASTIC & CARPET DYE COLOR CHART

All of our dyes match up to automotive manufacturer colors. Use the cross reference chart to find the exact match.

Color Chart	Part #	800278
-------------	--------	--------

SEMI-GLOSS BLACK ENGINE ENAMEL

Durable, flexible, heat resistant and fast-drying.

WARNING: Cancer & Reproductive Harm- www.P65Warnings.ca.gov

Size	10 oz.	Part #	116020
------	--------	--------	--------

MICROFIBER REFRESH CONCENTRATED DETERGENT

NEW

This concentrated detergent is specifically formulated to clean and refresh all types of microfiber cloths and towels. This formula has no added scent, softeners, or bleach and will not leave a residue behind.

Size	16 oz.	Part #	122816
Size	1 gal.	Part #	122801

LAUNDRY DETERGENT

Tackles the toughest shop and household soils. Perfect for towel and microfiber cleaning.

5% Phosphate	25 lbs.	Part #	201026
Phosphate Free	25 lbs.	Part #	251026

ACTIVE 8™ CONCENTRATE CLEANER

Solvent-free powder emulsifies dirt, grease and oil. Works in both hot and cold water. Product changes color when activated.

Size	50 lb.	Part #	100750
Size	100 lb.	Part #	100790

PENETRATING OIL

Frees rusted or "frozen" fasteners and parts, leaving behind a protective and lubricating layer.

Size	12 oz.	Part #	103919
------	--------	--------	--------

RUBBERIZED UNDERCOATING

Paintable, flexible formula protects underside and lower body panels from chips and scratches. Will not brown-out.

WARNING: Cancer & Reproductive Harm - www.P65Warnings.ca.gov

Size	16 oz.	Part #	117420
------	--------	--------	--------

TIRE MOUNTING LUBRICANT

Formulated to create a better fit between tire and rim. Contains no silicones, solvents or soap, making it safe for use on all tires, including whitewalls. Special rust inhibitor helps prevent rusting on rims.

Size	1 gal.	Part #	102401
Size	5 gal.	Part #	102405
Size	55 gal.	Part #	102455

LOTION HAND CLEANER

Cleans without solvents or abrasives. Special blend of skin care ingredients conditions dry hands.

WARNING: Cancer - www.P65Warnings.ca.gov

Size	1 gal.	Part #	102101
------	--------	--------	--------

VOC LOTION HAND CLEANER WITH PUMICE

Combines the cleaning muscle of solvents and pumice to cut through the heaviest of shop soils with premium skin care ingredients to soften and protect hands.

Size	1 gal.	Part #	106201
Size	2.25 liter	Part #	106225

CHERRY SP HAND CLEANER

Biodegradable, eco-friendly scrubbers cut through grease and grime while leaving hands conditioned and free of harsh smelling oils and films.

Size	1 gal.	Part #	123901
Size	2.25 liter	Part #	123925

BRAKE PARTS CLEANER

Highly effective blend of solvents designed to remove soil, oil, grease, grime and brake dust from drums, disk brakes, CV joint and metal parts. Leaves surfaces clean and film-free.

WARNING: Reproductive Harm - www.P65Warnings.ca.gov

Size	14 oz.	Part #	111025
------	--------	--------	--------

FUEL INJECTION CLEANER & TREATMENT

Keeps injectors, intake valves, ports, PCV system and fuel system clean. Reduces power loss, engine hesitation and rough idling.

Size	11 oz.	Part #	100312
------	--------	--------	--------

FAF® FUEL LINE ANTI-FREEZE

Improves fuel octane rating and helps keep fuel injectors clean. FAF® absorbs moisture and prevents freezing.

Size	12 oz.	Part #	100812
------	--------	--------	--------

CORAL-P™ LOTION HAND CLEANER WITH PUMICE

Powerful pumice-fortified hand cleaner removes oil, grease, tar and dirt. Lanolin and aloe vera provide premium skin care.

Size	2.25 liter	Part #	118225
------	------------	--------	--------

SWELL SEAL® TRANSMISSION SEALER

Odorless and non-toxic formula protects seals from aging and eliminates squeals and grinding in power steering units.

Size	6 fl. oz.	Part #	101106
------	-----------	--------	--------

SILICONE SPRAY ALL-PURPOSE LUBRICANT

Eliminate squeaking and sticking of rubber, metal painted surfaces, leather, wood, plastic and vinyl.

WARNING: Reproductive Harm - www.P65Warnings.ca.gov

Size	12 oz.	Part #	102920
------	--------	--------	--------

STICK TIGHT SPRAY ADHESIVE

Strong bond for adhesive carpet protection film. Becomes tacky almost instantly. Allows for repositioning in first 15 minutes.

Size	13.25 oz.	Part #	116037
------	-----------	--------	--------

PARTS WASH COMPOUND

This non-corrosive, solvent-free and biodegradable formula removes grease, oil and other soils from engine and powertrain components. Ideal for use on steel and aluminum parts.

Size	50 lbs	Part #	118950
------	--------	--------	--------

BRAKE & PARTS WASH

Non-chlorinated solvent cleaner removes oil, grease and brake dust and leaves surfaces clean and film-free.

WARNING: Cancer & Reproductive Harm - www.P65Warnings.ca.gov

Size	14 oz.	Part #	110920
------	--------	--------	--------

INTERIOR - SHOP PRODUCTS

IMPERIAL™ CAR WASH SYSTEMS

Malco is pleased to offer a line of car wash products designed to provide today's car wash operator with the best cleaning power available at the lowest cost-per-car on the market. With just a few simple foundation products and enhancers, today's operators can offer their customers everything from basic cleaning to premium add-on services. This super-concentrated, environmentally-safe product line produces the cleanest, shiniest cars.

① IMPERIAL™ TOUCHLESS LOW

Formulated for use in tunnels and touch-free automatics, this high-solvent low pH presoak is safe and effective. In addition to tunnels and touch-free automatics, Imperial Touchless Low may also be used in self-serves. 1:355

Size	5 gal.	Part #	194205
Size	30 gal.	Part #	194230

② IMPERIAL™ TOUCHLESS HIGH

Formulated for use in tunnels and touch-free automatics, this safe and effective high-solvent alkaline presoak provides superior cleaning at high pressure. In addition to tunnels and touch-free automatics, Imperial Touchless High may also be used in self serves. 1:240

⚠ WARNING: Cancer - www.P65Warnings.ca.gov

Size	5 gal.	Part #	194305
Size	30 gal.	Part #	194330

③ IMPERIAL™ WHEEL & TIRE

Non-caustic, sodium hydroxide-free cleaner is safe for all wheel types including chrome, aluminum and magnesium. It uses powerful detergents to remove road grime, brake dust and brightens white walls and white letter tires. 1:17

High Pressure Soap (Option 1 - Alkaline)			Touchless High (1943) @ 1:48 (Green tip)
High Pressure Soap (Option 2 - Neutral)			Clean (1940) @ 1:240 (Pink tip)

4a IMPERIAL™ CLEAN

Multi-purpose, high-foaming, deep-cleaning lubricant detergent with a pleasant apple fragrance. It is a combination of surfactant and solvent cleaners making it the choice for cleaning organic and inorganic materials. Imperial Clean also makes a great towel soap, wall cleaner and equipment degreaser and can be used as brush bucket soap, high-pressure soap or a foam brush soap. 1:240

Size	5 gal.	Part #	194005
Size	30 gal.	Part #	194030

4b IMPERIAL™ FOAMERS

Formulated as a paint polish and conditioner for triple foam applications with a pleasing cherry scent and siliconized Carnauba wax. Makes an impressive show of thick, rich suds wherever a foaming product is used or if a soap application requires additional foaming characteristics. Product rinses easily. Available in red, blue and yellow colors. 1:355

Red Foamer			
Size	5 gal.	Part #	194605
Size	30 gal.	Part #	194630
Blue Foamer			
Size	5 gal.	Part #	194805
Size	30 gal.	Part #	194830
Yellow Foamer			
Size	5 gal.	Part #	194905
Size	30 gal.	Part #	194930

⑤ IMPERIAL™ DRY

Contains siliconized Carnauba wax for a true wax protection. Its low spotting and fast beading drying agent reduces end of tunnel dry time. Non-petroleum formula means no oily film to create tunnel buildup. Grape scent. 1:355

Size	5 gal.	Part #	194105
Size	30 gal.	Part #	194130

⑥ IMPERIAL™ SHINE

A revolutionary silicone-fortified enhancer that can be used as a stand alone foaming protectant or as an additive in triple-foam applications. Foams like a soap and beads water like a wax. Pleasant lemon scent. 1:355.

Size	5 gal.	Part #	194405
Size	30 gal.	Part #	194430
